Dear Mrs. Manley:

I received your letter of June 23rd and a copy of the letter from the Editor of the New York Amsterdam Star -News. I sent Mr. Adams a release on benefit game, we secured Cleveland Stadium and hope it will be a success.

I do not think you are assuming to much making suggestions to me, as I am new in the business and willing to learn,

There is quite a bit of selfishness in our baseball if that could be worked out it would be better for all concerned.

Kindly let me know about Columbus, Ohio on the 27th of July. On My week with you in Newark try to book the Buckeyes up to the 7th kindly let me know dates and percentages of all parks as soon as possible. Hoping you are having warm weather and large crowds I will look to hear from you soon.

Yours truly,
Ernest Wright
